Re:-C. C. Sheets,
N.½, 19-4-10-W. 4th Mer.,
Seed Grain and Relief Indebtedness.
M.D.of Burlington No. 34.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the liens, Municipal Seed Grain and Joint Relief charged against the N. ½, 19-4-10-W. 4th Mer., for advances made to C. C. Sheets, by the Municipal District of Burlington No. 34, be discharged.

The Board submits the report of the Director, Debt Adjustment Act, dated November 4th, 1931, which report gives full details of all liens registered against the said land and states in support of the recommendation:-

1. That at the time the advances were made the debtor was the owner of the N.E.¼, 19-4-10-W. 4th Mer., subject to a first mortgage in favor of the Manufacturers' Life Insurance Company, which had priority to all liens.

2. That the Mortgagees foreclosed upon their security and became the registered owners of said land and that by such foreclosure all liens were eliminated therefrom.

3. That at the time the advances were made the debtor held pre-emption entry to the N.W.¼, 19-4-10-W. 4th Mer., and that the debtor still holds entry to said land, although he is not residing upon same, but has moved to another District, where he is attempting to re-establish himself.

4. That there does not appear to be any possibility of the debtor paying the amount required on account of the purchase price of the pre-emption, as the amount now due thereon, is in excess of the value of the land, and it is probable that the pre-emption entry must be cancelled in the near future.

.....

5376667

5. That the land is situate in an extremely dry District and has a very low value, being suitable only for grazing purposes, and it will not be possible to bring the land back into use so long as it is encumbered with the liability of the debtor, and for this reason it is desirable that the liens be discharged.

6. That the debtor is attempting to re-establish himself in another District but he has made practically no progress, and has nothing from which collection can be made under his personal covenant.

The Board therefore recommends that all liens be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

Dear Sir:

Re: C. C. Sheets - N.½ 19- 4- 10- W.4th
Seed Grain and Relief - M.D. of Burlington #34

C. C. Sheets obtained the undermentioned advances from the Municipal District of Burlington #34:

March 1, 1920	Relief	$446.00
April 1, 1920	Seed Grain	356.85
March 1, 1922	Relief	146.00
April 1, 1922	Seed Grain	27.50
		$976.35

On October 1, 1920 he repaid $150.00 on seed grain account. With interest to December 31, 1931 he owes the undermentioned balance:

Seed Grain -	Principal	$246.89	
	Interest to December 31, 1931.	191.54	
			$438.43
Relief -	Principal	592.00	
	Interest to December 31, 1931	469.90	
			1061.90
			$1500.33

As security he signed lien agreements charging the N.½ 19- 4- 10- W.4th . He was registered owner of the N.E. 19- 4- 10- W.4th and the title was subject to a mortgage to the Manufacturers' Life Insurance Company which was registered on September 3, 1918. The liens were all registered subsequent to the mortgage and were removed by foreclosure under it.

He hold preemption entry for the N.W. 19- 4- 10- W.4th and his entry has not yet been cancelled. He owes approximately $600.00 on account of the purchase price. The property itself is unimproved with the exception of a few acres of breaking and is not worth more than $400 an acre.

5576667

E. J. Fream, Esq.

In the circumstances it appears most unlikely that the debtor will ever attempt to prove up his entry and to pay the purchase price. He is at present living at Sundry, Alberta and has made little progress towards re-establishing himself there.

In the opinion of the Secretary-Treasurer of the Municipal District his personal covenant is valueless. I recommend that the liens for his seed grain and relief indebtedness be no longer retained as a charge on the N.W. 19- 4- 10- W.4th as there is no likelihood of recovery of any payment either from the debtor himself or from any other party who might make entry for that land.

I also recommend that the unpaid balance of the seed grain and relief indebtedness be written off as uncollectable both in so far as it affects Sheets's indebtedness to the Municipal District and the indebtedness of the Municipal District to the Province of Alberta.

Yours truly,

W. Lord

Director.

I beg to acknowledge receipt of your letter of the [illegible]6th ultimo informing this Office that in the absence of any defence in response to a notice sent him on the [illegible]6th of May, 1916, the entry of Mr. Richard R. In this connection, I would refer you to your letter to his office on the 20th of April last in which you stated that Ranche Inspector Cloakey reported to your office that this quarter-section was unsuitable for agriculture and that no improvements or residence had been performed on the same.

Since, however, this land is now cancelled and was reported on as above it would appear that at the present time it is available for grazing lease.

Title was allowed to revert to the Province under the provisions of the Tax Recovery Act in 1947 and the Department has administered the land since that time.

Other members of the family have relinquished all interest which they may have in this property in favor of one son and that individual has now made an offer of three hundred and thirty dollars ($330.00) for this quarter. The son is definite in that this is the maximum which he will offer and the Departmental Inspector reports that it is a very rocky quarter and appraised. This land is situated in a township which has been declared eligible for awards in each year in which awards have been granted under the Prairie Farm Assistance Act up to and including 1949 and in view of the type of land it is evident that if any recovery is to be made the present offer must be accepted. Taxes have been satisfied from rentals recovered during the period the land has been under the control of the Department and the full purchase price less the usual nominal sum of five dollars ($5.00) to cover costs of sale is accordingly available for application on the above account. I would recommend that the proceeds of the sale after first allowing costs be distributed on a pro-rata basis between the Provincial Seed Grain and Joint Relief Advances, the following being the allocation of the monies:

Costs	5.00
Seed Grain	155.10
Joint Relief	169.90
	330.00

As no other security is held and as there is no further possibility of obtaining repayment I would further recommend that the balance remaining be written off and the liens discharged.

Yours very truly,

[illegible]

BOARD ORDER
No. 4876

T.B.455. S.E.10.

August 4th, 1931.

T.J. Fream, Esq.,
Chairman, Seed Grain and Relief Adjustment Board,
REGINA - SASKATCHEWAN.

Dear Sir:-

Re: J.W. Bleshmer,
N.E.22-1-14-W.4th,
Prov. Seed Grain and
Joint Relief Indebtedness,
Supplementary to B.O.#3912.

This man obtained Seed Grain and Relief advances from the Provincial Government in connection with which account there remains an outstanding unpaid balance of Seed Grain in the amount of $3465.74, and the unpaid balance of the Relief Indebtedness is in the sum of $903.81. Security for these advances was registered on titles to various parcels of land and an adjustment of the account was recommended by Board Order #3912 by which Board Order the above mentioned unpaid balances were recommended to be written off as being uncollectible.

The N.E.22-1-14-4-4 is one of the parcels of land against which the liens constitute a charge. This land was the pre-emption entry of the debtor which entry was cancelled. The land was later re-entered for as a homestead by George Poneck. At the time he made entry Poneck requested the annulment of the liens charged against this property claiming that he had received no benefit from the advances nor had the land received any benefit therefrom. Because of the situation of this property in a very dry District in the Province it was recommended that Poneck be not required to assume any part of the former entrant's indebtedness and it was recommended that the liens be discharged.

It has now been brought to my attention by the Department of the Interior that that Department neglected to inform me that Poneck had made two payments on account of the indebtedness charged against this land and that these payments are in a total sum of $10[illegible].55. The payments are held in suspense and the Department of the Interior wishes a further recommendation of the Board as to the disposal of the monies so held.

The Seed Grain and Relief Branch file on this account contains evidence that Poneck made his payments under protest and that he has strenuously objected to the assumption of the former entrant's indebtedness. It is also indicated by this file, and supported by a statement from the Agent of the Department of Lands

L.J. Frose, Esq.,

and Mines at Lethbridge that when Ponoch obtained Homestead entry he paid on account of fence improvements on the property, the sum of $150.00, which has been credited to the Relief indebtedness of the former entrant, J.C. Blackmer.

This land is not, in my opinion, of such value as would warrant a new entrant assuming any part of a former entrant's indebtedness as he would certainly be required to expend monies and labour to the full value of the property in order that he may obtain Patent. There are a great many cases in this immediate district where a new entrant has been given the consideration of having a former entrant's indebtedness discharged from the land, and, event though Ponoch has made certain payments under protest, I do not consider it as being consistent if he is required to assume any part of the former entrant's indebtedness, and I recommend that the payments now held in suspense in the amount of $105.65 be refunded to Mr. Ponoch, and it is further recommended that he be allowed to obtain Patent without assuming any part of the former entrant's indebtedness; in other words, it is recommended that the adjustment as made by Board Order #3912 be allowed to stand in its entirety.

Sir,

I am in receipt of your letter of the 21th ultimo asking what settlement duties would be necessary should you have your pre-emption entry for the North West quarter of Section 31, Township 6, Range 8, West of the 4th Meridian, converted to a Soldier Grant.

The evidence submitted when you made application for the issue of letters-patent for the land as a pre-emption shows the completion of residence duties in connection with the pre-emption in one year, therefore, if the entry were converted to a Soldier Grant it would be necessary to perform residence duties in each of two additional years. The cultivation completed is sufficient for either class of entry.

Sir,

Re N.½ of 7-6-3-W.4th Mer.

I am in receipt of your communication bearing date of the 8th instant wherein you claim that on securing Duplicate Certificate of Title in connection with the above mentioned half section same reveals certain liens in favour of the Dominion which should not cloud title thereto.

In this connection I am to advise that the matter is being investigated and you will be further communicated with in due course.

MEMORANDUM:

Mr. Gliddon,
Land Patents Branch.

Re: W½ 31-6-8 W.4th M.

Please see letter of the 8th ultimo from F.D. Jackson on behalf of T.R. Paul now being accompanied by a duplicate certificate of title covering the lands above described and the sworn declaration executed by Herbert Hutton to the effect that titles to the lands above described should not be encumbered by dominion liens in the name of Herbert Hutton Patton which are registered according to the abstract in question as follows:-

$70.80 under Instrument No. [illegible] L.H.
242.30 " " " 5764 B.F.
213.60 " " " 1879 F.K.
270.80 " " " [illegible]
244.30 " " " " " "
$1[illegible]

In this regard the records show that in 1914 one Herbert Hutton Patton received from the Department Seed Grain, Fodder and Relief on the security of the W½ 31-6-8 W.4th M. which are still outstanding, but on the comparison of the signature of the liens with that of the declarant they are no doubt not one and the same person.

It is therefore presumed that the existing registration was effected through similarity in name and land.

The matter is therefore referred to you for further action and on the completion thereof kindly return files.

Director, Dominion Lands Branch.

Re: Account of Herbert H. Watson
W.½ 31-6-8-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to $133.70 were advanced to Herbert H. Watson on the security of the above mentioned land. A payment of $39.36 was received in 1943 and applied to the interest. The present standing of this account is:

Principal	Interest	Total
$ 133.70	$ 215.09	$ 348.79

Patent was issued in the name of Herbert H. Watson for the S.W. 31-6-8-W4 on the 12th of January 1915 and for the N.W. 31-6-8-W4 on the 3rd of March 1924, subject to the liens.

In 1927 the land became subject to forfeiture proceedings for nonpayment of arrears of taxes and title has since been acquired by the Municipal District of Burlington No. 2.

The Municipality has been unable to dispose of the land by sale and it is presently included in a grazing lease issued in the name of Leo Watson of Etzikom, Alberta. There is an accumulation of $5,361.56 arrears of taxes outstanding against this half section. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

Homestead examined.

A Homestead Inspector's report on the Land Office list shows no improvements of any value on this land, and states that the entrant left the district about two years ago. His latest address is Lethbridge.

Cancellation proceedings were instituted in the usual way and the Agent now reports no appearance.

In view of the above circumstances, it is suggested that the entry be cancelled. The Homestead Inspector states that twenty-five acres of this land is fit for cultivation. Please say what disposition should be made of the land.

Entry Granted - 28th January, 1910.
.....

Mr. Ford made application for patent on the 25th March, 1919, having completed the duties as set forth on Form 54-3 (marked).

The entrant executed a Declaration of Abandonment on the 1st March last.

He was advised that if his abandonment was accepted he could not secure another pre-emption or a purchased homestead and was allowed a period of thirty days within which to withdraw his abandonment should he so desire.

As nothing has been heard from the entrant, his abandonment is about to be accepted.

Inspector Burcombe in a report, dated the 22nd December, 1923, in his general remarks stated:-

"From information gathered, entrant
"left the District last April, also the
"Manufacturer's Life Insurance & Loan Co.
"of Calgary, has taken over the homestead.
"Land is fairly level, but unsuitable for
"Agricultural purposes, and recommend for
"grazing purposes only. Value $8.00 per acre.

Gentlemen -

On or about the 15th day of Feby. A.D. 1916 I turned my Homestead, S.W. 1/4 Sec. 2. Tp. 4 Rg. 12 W. 4th Mer. back to the Govt. Being poor health and not able to meet payments on same.
I had paid $72.00 in Int. on above for years 1910. '11 and '13.
Under the circumstances can I not expect the $72. refunded to me, or at least a part of it. I can hardly afford to lose it all.

Yours Truly

Wm Coates

P.S. I owe the Govt $20.00 for seed grain and would like part of above Amt. applied on this seed grain.

I would like to know what if Bill 199 is in operation as I understand that a person who has but a Homestead or one quarter section is entitled to a second Homestead I Homesteaded on S E of 2-4-12 west of the 4th meridian in early 1916 at Lethbridge I proved up on in 3 years afterwards and got patent for same
I would like very much to file on the S E of 35-3-12 w 4th meridian This quarter is available and just 1/2 mile from my Homestead It would be very convenient for me as there is a good chance to get water on this quarter section.

Yours Respectfully

Sir,-

S.W. ¼ Sec. 2 Tp. 4 Rge. 12 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

James Francis Conway, Esq.,

Lucky Strike,

Alberta.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

P.S. You should communicate with the Agent of Dominion Lands at Lethbridge and he will inform you whether the S.E. 35-3-12-W. 4th Meridian is vacant and available for entry.

I beg to acknowledge receipt of your letter of the 3rd inst. wherein you make inquiries concerning the above described land.

In reply I may say that the first mentioned parcel is included in Ranch No. 20553, and is, therefore, not available for disposition.

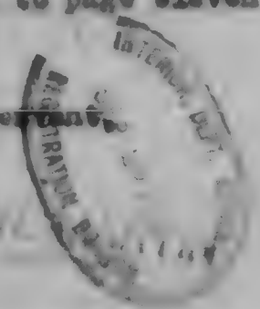

The second mentioned parcel is vacant according to the records here, and it would appear that there is a seed grain indebtedness against the land in question, which would have to be assumed by the succeeding entrant.

For any further information you may require concerning vacant and available lands in your district I would suggest that you communicate with the Agent of Dominion Lands at Lethbridge.

A hand-book containing a summary of the Homestead regulations is enclosed herewith, and I would direct your special attention to page eleven with respect to seed grain indebtedness.

The licence's homestead, his entry thereto was duly cancelled on the 14th of January, 1926, and subsequently re-entered under date of the 2nd of July last, by one James Francis Conway, Lucky Lake, Alberta, for homestead, subject to the usual agreement to assume the former entrant's Seed Grain indebtedness and the customary declaration for an adjustment.

There is no Homestead Inspector's report in connection with this quarter on file of recent years and as far as this Office is aware this is the only land held as security for the advances as shown in the statement attached.

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated July 4th, 1955, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable and it is desirable that it be accepted.

BOARD ORDER
No. 11289

Dear Sir:

Re: SH 2-4-12-W.4th Mer.
James F. Conroy,
[redacted]

The above named party obtained the following advances for which liens were registered against the title to the above described parcel of land:

Dominion Advances		Joint Relief Advances	
Seed Grain 1919	$207.60	March 1st, 1920	$ 260.10
Interest 31/3/55	523.65	March 1st, 1922	260.10
	731.25		520.20
Payment	1.60	Interest 31/3/55	1337.32
	$729.65		$1857.52

Negotiations for a compromise settlement of this account were started by the debtor in 1949 but he was financially unable to make a satisfactory payment at that time.

A Notary Public, acting on his behalf, communicated with this Office, approximately one year ago, stating that Mr. Conroy was 73 years of age and wished to make settlement of this outstanding indebtedness. An offer of $600.00 for both accounts was received at that time which was not considered satisfactory. This offer has since been increased to Six Hundred dollars ($600.00) and that amount has been remitted.

cont'd ....

Our investigations indicate that due to the advanced age of the debtor, he is unable to perform the work required to operate his farm and has to hire labour. He operates a farm comprising 800 acres and has the usual line of machinery but no livestock or income from any other source except grain farming.

This parcel of land is situated in that part of the Province which formerly suffered drought conditions, resulting in the debtor unable to previously make any attempt to discharge the above mentioned indebtedness. With more favourable weather and economic conditions during the past few years, he has improved his condition.

Taking into consideration all these circumstances, I would consider that the offer of Six Hundred dollars ($600.00) should be considered satisfactory settlement and I would recommend that same be accepted as settlement in full of both Dominion and Joint Relief accounts and that the liens be discharged.

In view of the relative principal amount of the accounts, I would recommend that the sum of Three Hundred dollars ($300.00) be applied to the account for Dominion Advances and Three Hundred dollars ($300.00) to the account of the Joint Relief Advances and after application is made of this amount to each account, it be adjusted so that each stands paid in full.

Straight Provincial Seed Grain advances in the amount of $227.55, together with accrued interest have already been cancelled.

Yours very truly,
